Tropic Walnut

Hazelnut Oak

TruNatur is a Premium Prefinished Polymer Veneer faced panel that provides a high-performance alternative to wood veneer.

TruNatur veneers have been designed and engineered to create a very durable and realistic wood like finish with unmatched color and grain consistency.

The veneers are then bonded to a range of highly calibrated substrates using our PUR adhesive system to produce incredibly beautiful and low maintenance "wood-look" panels ideal for use in residential and commercial indoor cabinetry, closet, furniture, fixture and walling applications.

TruNatur is Green Tag Platinum Health rated.
